LETTERS TO THE LOUNGE

Send your Lounge Suite letters to... contact@paulraymondmedia.com
There's £50 for every letter we print!

Dear Club,

I'd thought I'd write in and tell you about the intimate sex session my girlfriend Karen and I enjoyed just the other night. I can honestly say that, even though she's a fox and really horny with it, she has never been so enthusiastic about making love, or satisfied my fantasies so completely.

Karen is a real lover of leather and lace. She's not a biker chick or anything, she likes to wear sexually provocative feminine outfits, such as tiny leather skirts, stockings with seams up the backs, and stiletto heels. She used to be in insurance a while ago but nowadays she works in a shop selling music and DVDs. She says it pays less but she gets to wear what she wants to!

I have to admit that her short leather skirts were what made me notice her in the first place, though it would be hard to ignore such a cute-looking long-haired blonde with long legs, a trim body, pointy tits and a pert little arse. Anyway, every time I went into the shop she'd be kitted out in an outfit even more OTT than the last, and I ended up staring at her so much that she remarked on it one day and we got talking. So that's how we met and we have been living together now for nearly a year.

For a few months now we've taken to watching porn films together every so often, and the other night the DVD Karen brought us home was a sexy German flick with a horde of birds in leather and lingerie doing stuff more acrobatic than you'd see at a circus. I was getting pretty hot under the collar as we cuddled up together, especially since Karen hadn't gotten ready for bed and it felt like I was sitting with my arm round one of the chicks from the DVD.

> **"I was getting close to coming too as her cunt continued to tighten on my cock."**

In any case, I was so randy that even though I don't normally initiate the sex, this time I did, moving my hand up her stocking-clad leg and kneading the top of her inner thigh. Karen responded by rubbing her hand slowly and sensuously over my growing hard-on through my jeans, eventually freeing my weapon and wanking it gently while I fingered her pussy through her panties with one hand up inside her skimpy leather skirt. Before long I had her top and bra off and was really enjoying myself, kissing and licking the flesh of her breasts and lapping at her erect nipples. She shivered as she pulled away and dropped down to take my cock in her mouth. Imitating the girls on the DVD, she lapped around the head of my cock before sucking it deep into her mouth. It felt exquisite as she sucked me, bobbing her head up and down in rhythm with the girls performing on the telly.

I love getting a blow-job from Karen but that night I wanted my cock inside her really badly, and I told her so. I also asked her to keep on her stockings.

Standing up to give me a little show, Karen wriggled out of the skirt like a lap dancer and bent close. "Come on, then, fuck me," she whispered, leaning back on the sofa and opening her legs really wide. Shedding my

“...she orgasmed, pooling her juices around the base of my cock.”

clothes in record time I pressed my throbbing tool against her damp slit and pushed it inside her hot pussy. Karen wrapped her legs around my back and raked my shoulders with her long fingernails as I pumped in and out of her soaking cunt.

Her tits bounced against my chest and my balls slapped so loudly against the underneath of her arse-cheeks that I could hear them above all the moaning on the television. Karen held me more and more tightly against her with those fab long stocking-clad legs, at the same time guiding one of my hands to her wet little clit, encouraging me to flick it gently back and forth as we screwed.

Constricting around my penis, her pussy muscles clenched and she orgasmed, pooling her juices around the base of my cock. I was going at her so hard that I was getting tired, but her soaking climax gave me my second wind and I kept on thrusting my cock into her.

I was getting close to coming too as her cunt continued to tighten on my cock, holding it vice-like every so often, while her vagina pulsed and clenched. Running my fingers through her hair, I held her tits against me as she came again, and was rewarded with a moan and an actual bite on one of my shoulders as she shuddered through another orgasm. The bite took me over the edge, I shot my sticky cum deep inside her and I held her in my arms until my cock softened.

Then she did something that she had never done before – she cleaned me off just like the porn birds in the DVD we were watching. I couldn’t believe it and still can’t, but she got down on her knees and slowly licked my cock and balls clean of every drop of cum, pausing only once, and that was to look up into my eyes while she was doing it and telling me with a giggle that she “could get used to this”.

Well I could, that’s for bloody sure! And what’s more, I certainly intend to!

Jeff, Croydon.

CLUB INTERNATIONAL

Anissa Kate has been quiet of late, and we were wondering if the saucy mare had fallen off the face of the earth?

"Not quite, I've been frolicking in the sun while the weather has been so perfect all over Europe, and it's been more than therapeutic."

I'm having visions of cocktails by a poolside under the midday sun, am I right?

"Pretty much, but you missed out the totally ripped guy I kept sneaking glances at."

Lucky fellow, I hope you made him work for it.

"I think we both made each other work for it in the end, you should have seen his muscle ripple."

Hmm, I wonder where my gym card has gone...

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

REAM PIE!

My husband loves anal sex. We have been married for two years and during this time I have come to enjoy it too. We only indulge in anal sex once a week as I am afraid of becoming too loose back there. However, because we restrict ourselves to only one arse-fuck every seven days I make an effort to be extra sexy for Mark dressing up in provocative ways that I know will really turn him on.

The thing that attracted Mark to me in the first instance was my innocent young girl looks. He especially likes me to wear short skirts, cotton knickers and ankle socks for our anal nights. Last time was no exception: I was wearing a cute little pale pink T-shirt short denim skirt with pink cotton panties and socks to match.

We were in the kitchen and Mark was delighted with my outfit, turning me around to examine every detail and commenting favourably on the matching socks T-shirt and panties. Complimenting me that I still looked like a teenager, he pushed his hands up under my skimpy skirt and salaciously massaged the dampening gusset of my panties.

His breathing quickened with lust and I could feel his cock straining against his flies through my skirt. I unzipped him, releasing his rampant tool, teasing his moist mauve cock-head with my fingertips I until the first beads of pre-cum appeared. I squatted and licked these off as a prelude to gobbling him hard, watching him wriggle as he felt my warm mouth dexterously working his member.

After a short while the stimulation plainly proved too much for Mark to bear. He pulled me gently to my feet, and, turning me around, helped me out of my T-shirt. I was bra-less, and he cupped my breasts in his hands, gently squeezing them before rolling my erect nipples between fingers and thumbs. I arched my back and lent into his body, feeling his hard-on poking against my lower back.

> “...my sphincter muscle expanded to permit him to feed his shaft inside me.”

Lifting the back of my skirt, he caressed my buttocks through the cotton fabric of my panties as he guided me towards the kitchen table. Bending me across its surface he peeled my panties down and off and spread my legs. I felt his finger slide across my clit, then his rigid cock began forcing itself inside my juicy fanny. Having lubricated his tool inside my soaking hot pussy, he withdrew it. Pressing his helmet against the entrance of my bottom-hole he prodded it until my sphincter muscle expanded sufficiently to permit him to feed his shaft inside me.

Mark's cock pumped in and out of me as I squirmed and writhed beneath him, my pussy pounding and my arsepipe throbbing. Desperate for the orgasm that I could feel approaching, I pushed my arse backward to meet each thrust as his hardness sawed in and out of me. I felt the knowing tingles, then the first wave of orgasm hit me. He took that as his cue to cum too, unloading what felt likes barrels of goo deep inside my arse.

RUMP RIDER!

I met Naomi at a conference last year and we hit it off really well. Afterwards we went to her hotel room and had the hottest sex. There's no messing around with this lady. Although Naomi is married she also likes to play around a little, so every so often we meet up for fun.

She's the sexiest woman I have ever met, and I readily admit that if I could lure her away from her man I would do so. Of course our relationship is based almost entirely on fucking so maybe we'd have nothing else in common, but just the thought of waking up next to her sexy body every day drives me crazy and I wish that could happen.

Fortunately, however, her

husband travels quite frequently, and during those occasions Naomi and I meet and have the most amazing sex. The fact that she needs to be screwed silly as often as possible is a tremendous turn-on and I am always more than ready to drop whatever I am doing and rush over to jump her the moment I get the call.

We don't waste our time on small talk. Naomi is always naked and waiting when I arrive, and as soon as I walk through the door I make my way to her bedroom, loosening my clothing en route. Our last shag was last Monday morning, and we followed the usual routine. As soon as her hubby had got on his plane she called me from her mobile on the drive home.

She was naked and waiting on the bed for me when I walked in the door. I lost no time stripping off, and within moments of my arrival I crawled up the bed, and, gently touching her lips with mine, I slid the throbbing head of my dick between the slick swollen wet lips of her pussy. Nudging it against her clitoris I watched her pussy lips give way and squeeze tightly around it as though sucking it in.

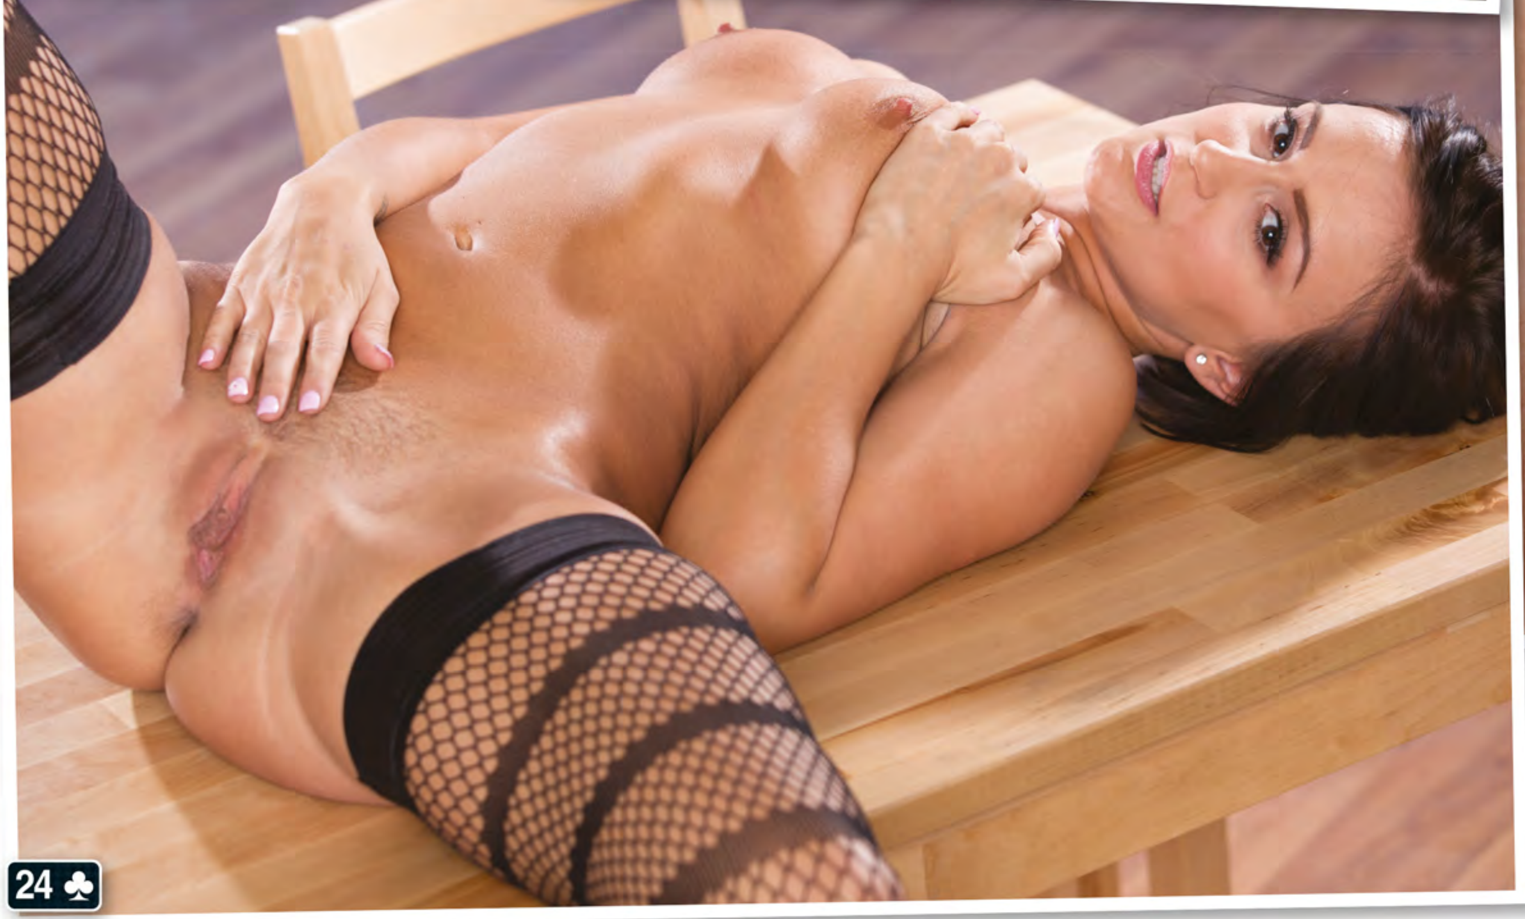
Naomi is very vocal and loves to talk during sex, and this time was no exception. "Fuck my hot pussy," she kept saying as she rocked her hips upward, grinding her clit against my hard shaft. "Please screw me," she whispered, then she ran her tongue-tip between my lips.

"Fuck me," she demanded, her passion rising as she bit down on my lip. "Do me now!" Her hands gripped my arse-cheeks and she ground her pelvis hard against mine. I laughed at her impatience and teased her by pulling out my cock and holding it at her dripping entrance.

"Please," she begged, so I mounted her again, penetrating her. With one swift thrust I buried the entire length of my prick inside her. Naomi squealed and clawed at my buttocks, pulling me forward as her back arched. Stabbing my cock deep inside her I felt her pussy muscles squeeze and flex around my shaft as she moaned and writhed beneath me.

I pushed her legs back, held them there and positioned myself so I could give her a really deep pounding. When I shunted my dick back inside her she whimpered, clawing my flesh as I jabbed my cock back and forth with short, quick strokes. I rode her deep, thrusting and withdrawing, listening to Naomi's breath coming in gasps.

She begged me to allow her to orgasm, but I ignored her pleas and rode her like this until she trembled with every push of my hips. Digging my toes into the mattress, I rolled



> “Fingering her tight ring I teased it open with my finger...”

her back onto her shoulders, and changed to fucking her pussy with long, slow, hard strokes. Her hands held onto my arms now, giving her extra leverage to thrust her hips up to meet my plunging cock. Our bodies moved together in a rhythm, and I fucked her using a downward stroke which pressed me tight against her so she felt the friction of my thrusting shaft against her stiff little clitty.

Naomi’s hips bucked on the mattress as I slammed into her repeatedly. Then she sank her teeth into my shoulder as she came, her sweet wet cunt gripping tightly around my hard cock as her body shuddered with the intensity of her climax. She shook time and again, her breath coming in short gasps of pleasure before she finally dropped back against the pillows.

I smiled down at her, deciding where on her beautiful body I was going to shoot my load. I had been going to opt for spraying my load on her gorgeous DD tits, but then I thought of her lovely pink rose-bud and reconsidered. Deciding on an anal pop, I rolled her over and began to stroke her buttocks gently with my fingertips. Pinching the tip of my cock to keep it good and hard, I spread her cheeks and ran my fingers from her sopping wet pussy to her arsehole.

Fingering her tight ring I teased it open with my finger and then bent to lick it. Naomi squirmed as I rimmed her, moaning softly as I pushed my tongue against her ring. Looking back at me with a grin she reminded me that there was some lube in the drawer by the bed. Knowing that she likes to be well lubricated for anal I wriggled over the top of her and reached into the drawer to get it.

I squeezed a good dollop of the cold lubricant on her anus and gave my shaft a thick coating of the stuff. Pulling her bum-cheeks apart I nudged my cockhead against her bumhole and prodded it a few times to prepare her before pushing my way inside.

Naomi raised her arse slightly as I inched my way inside, relaxing her anal muscles so that I could fully penetrate her. She grunted and growled as I fucked her arse, rubbing her clit in time to every stroke of my cock. She kept yelling at me to fuck her harder, while I held on to her hips and pounded her tight little hole until I could feel my spunk welling up in my balls.

“Go on!” she urged me. “Cum inside my arse!” That was too much! I gave her one more hefty thrust and unloaded my cream deep into her fabulous, incredibly shapely rump.

Ben, Wycombe.

Elizabeth Marx is certainly playing up to the lens as she slowly reveals the flock of birds in flight she has tattooed on her shoulder.

Is there a reason behind your tattoo? "Well, the sky, like my skin was a blank canvas and one day I just saw a group of birds in flight and new that was what I wanted on my shoulder."

As Elizabeth starts to shower down, we can confirm it looks good both wet and dry, as does Miss Marx.

HIDDEN PASSION

My friends and I stumbled across a nudist beach when we were in Greece this summer and it turned out to be the unlikely highlight of my holiday. We'd spent most of our time crashed out on the poolside but by the end of the week we were getting a bit bored of the same faces and decided to explore more of the island. We'd taken a bus to a different resort and asked one of the locals where the best beaches were. Realising we were total strangers to the area, he pointed out a quiet cove and we wandered there – oblivious to what we'd find when we reached our destination! As we turned off the busy stretch of beach and made our way across the warm sands, my friend Alison spotted the first naked sunbather.

"Fuck, that woman's got no bikini bottoms on," she squealed wildly.

Sure enough, when we looked, Alison was right. We expected topless girls, but hadn't been prepared to see anyone stark naked. As we slowly stalked the beach we started to make out more and more bare bodies – in all shapes and sizes. My other friend Tanya immediately got the giggles, pointing out various people's genitalia and by the time we were in the middle of the beach, the three of us were almost hysterical.

"We can't stay here, we'll have to go back," I managed to say. But Alison and Tanya had other ideas.

"Let's stay for a while, we don't have to take all of our kit off but it'll be fun to watch the others," Tanya said.

At first I wasn't too keen but my mates managed to persuade me we'd have a laugh. We put down our towels and I'd never felt so conspicuous as I unwrapped my sarong. Imagining everyone would be waiting for me to strip off, I quickly sat down on the sand. Unlike my mates I don't normally go topless but as they unhooked their tops I felt ridiculously over-dressed. Impulsively, I unclipped my bikini bra and stuffed it into my bag. Among so many naked people I didn't feel as exposed as I would have usually and actually realised it felt great to release my pert breasts. Tanya was watching and giggling again. She urged me to go one step further.

"Shall we do it, we might as well go the distance just to see how it feels," she whispered to us.

Alison didn't need much encouragement and in a split second they'd pulled off their bottoms and were waiting for me to do the same. Once they'd done it, I wasn't quite so apprehensive and surprised them by whipping off my knickers too. The three of us sat there for a few minutes, getting used to being naked in public and it didn't take long for me to realise that I actually really liked the sensation. I felt so free but naughty at the same time and I began to relax with the thought of other peoples' eyes on my body.

> **"I flicked my tongue around his shining purple helmet, lapping up the trickle of pre-come..."**

When my mates ran off down to the sea, laughing wildly, I had a chance to look around at the other people near me. We'd picked a spot next to a young couple and I spotted the man watching me while his wife sunbathed – oblivious to her husband's wandering eyes. Suddenly, I felt empowered by my nakedness and incredibly horny. Pretending to need something from my beach bag, I stood up. I held his stare for a few moments, then turned my back on him to give him an eyeful of my peachy arse.

Knowing full well that he was watching my every move, I bent over to reach in my bag – allowing him a perfect view of my plump shaven pussy lips. I felt my fanny start to juice up at the thought of him staring at my cunt and held my position for a moment or two. When I turned around again I was shocked, but pleased, to see my teasing had done the trick. His flaccid cock had sprung into life and was now erect and excited. He smiled at me and I felt a surge of lust flood through my body. I took my bottle of sun lotion and squirted two streams of creamy liquid across my chest suggestively. Slowly, I rubbed the lotion into my skin, blatantly paying far too much attention to my stiff pink nipples. By this point my snatch was begging for some action. Then in a final rude gesture, I squirted a wad of cream across my bald pussy and gently massaged it into my lips.

This really had him drooling and decided to see how up for it he really was. I nodded towards the wooded area that fringed the beach and began to walk there – desperately hoping he'd follow. He made a quick check to see if his wife was still sleeping, then pulled a towel around his waist to hide his fat, hard cock, and sneaked away.

I couldn't believe what I was doing but decided I was on holiday and I deserved to let my hair down. As soon as he reached me, his hands went wild over my body. The fact that I'd made him so madly horny made me even crazier for a shag and we started kissing passionately. I didn't ask his name or even his nationality but it didn't even cross my mind because all I wanted and needed was a good screwing. Hidden by the long grass and olive trees, he pushed me to my knees and nudged my head towards his bulging dick.

I don't normally like giving head but for once I really fancied taking a cock in my mouth. I flicked my tongue around his shining purple helmet, lapping up the trickle of pre-come that had leaked from his eye, then clamped my lips firmly around his shaft. Slowly, I lowered my head, feeling his foreskin roll back and ensuring I took as much of his length down my throat as possible. He groaned in delight as I began building a steady sucking rhythm, while I massaged his heavy

> **"I felt it force open my plump pussy flaps... as he rammed his huge shaft into my tiny hole."**

balls very gently with the palms of my hands. I could feel his cock veins throbbing between my lips as I varied the intensity of my sucking and this made my fanny tingle even more.

Before long he was too turned on to cope with any more oral and roughly pushed me onto my back. He held my ankles together and with one strong arm pulled them back towards my head to give him access to my slit. With my legs held together, my tight little fanny hole would have felt even snugger than usual as he eased his throbbing prick into the entrance. I felt it force open my plump pussy flaps and a jolt of pain shot through me as he rammed his huge shaft into my tiny hole. But the pain quickly subsided and as I adapted to the girth of his huge cock, the discomfort was replaced with sheer pleasure.

Still holding up my legs, he began pounding at my fanny like an animal. Normally, I would have considered it a bit rough but at that moment I wanted nothing more than to be fucked senseless by a domineering stranger. My small tits shook with the force of his thrusts and I licked two fingertips to rub my stiff nipples. In his excitement, my lover was pushing my legs further and further over and my bum was lifting off the ground. Desperate to get deeper inside me, he was ramming his prick harder into my cunt and I could feel his hairy balls slapping against my arse cheeks.

The whole thing was so mind-blowingly dirty that I was soon on the verge of an orgasm. Realising I was almost there, I reached between my legs to find my clit. Because of the way he was holding me it was difficult to get my hand between my tightly clenched thighs but I managed to get a finger onto the right spot. My stiff button was swollen and buzzing with arousal. My entire cunt was gushing with excitement and it took about 30 seconds of scrabbling with my clit to bring me to a shattering climax. The sight of a stranger banging me so furiously did wonders for my orgasm and I struggled not to scream to the whole beach that I was in fucking ecstasy. My naked lover had felt my cunt shuddering with excitement and was about ready to come to his own climax. I felt his thrusts become slower but harder and his prick seemed to grow even stiffer inside me as though it were about to shoot its cream. I prepared to feel my snatch flood with his spunk, but at the last moment he pulled out and wanked his entire load across my bald pussy. He let out a low groan as the final jets of come leaked onto my glistening lips.

When we made our separate ways back to our sunbathing spots, I was amazed to see nobody had even noticed our disappearance. His wife was still tanning her back and my mates were splashing around in the sea.
Christine, Leamington Spa

WATCH CLOSELY

When my relationship with my boyfriend, Neil, hit rock bottom a few weeks ago, I suggested we book a cheap holiday in the sun to try to fix things up. We'd been so busy with work over the past six months that we hadn't paid much attention to each other and I thought a break abroad might help spice up our very stale love life. I wasn't wrong – although

> “He took hold of my fleshy boobs and kneaded them firmly, before taking my nipples between his teeth...”

things didn’t turn out quite the way I’d planned.

It was such a relief to leave behind our worries in rainy Britain and chill out on the hot sands in Tenerife. We spent the first few days simply soaking up the rays on the beach and having romantic meals at night, enjoying being alone together. But on the fourth day Neil got chatting to a bloke called Marc who was sunbathing next to us on the beach. I must have dozed off and woke up to the sound of them laughing loudly next to me. I rolled over, my skin warm and damp from the sun, and was about to complain about the noise but stopped when I saw Marc’s handsome face. He was smiling and watching me intently. Suddenly feeling exposed, I instinctively grabbed my bikini top to cover my large bare breasts. I wondered how long he’d been watching me as I obliviously sunned my bronze chest.

“Sorry we woke you Claire,” said Neil, “this is Marc, he works in one of the bars here.”

“Nice to meet you Claire. I see you like the sun,” he almost whispered in a flirtatious way that I thought would irritate Neil. But even as Marc blatantly scanned my hot slender body, my boyfriend didn’t flicker. And when our new friend suggested he meet up with us for a drink that night, Neil amazingly said yes. Marc sat on the beach with us for a little longer, constantly eyeing my figure and his attention started making me really horny. But not only did it turn me on, the fact that Marc was admiring me seemed to be exciting Neil too. My bikini bottoms were soaking wet with excitement by the time he left us and I couldn’t wait to see him again.

I downed far too much vodka while we waited for Marc later that evening and when he eventually arrived I was giggly and relaxed. The three of us got on brilliantly and when Marc asked me to dance, Neil just raised his eyebrows and smiled in encouragement. I’d never known Neil to react so well to another man giving me attention and as the night went on it became more apparent that he was really getting off on the fact that Marc wanted me.

Neil joined us on the dance floor and rubbed himself against my bum. I found myself sandwiched between two horny men and I could feel both of their erections pressing against me. I wriggled between them and their gyrating groins made me dizzy with lust. Marc’s hands wandered to my hips and when he began stroking the shape of my curvy body. I wondered how far Neil would let him go, but he didn’t stop him, instead he slipped his hands under my arms to grope my bouncing tits. I flung back my head in ecstasy, I couldn’t tell who was doing what. Suddenly there were hands all over my body, stroking, squeezing.

I don’t know if Neil and Marc arranged it but we were soon making our way back to our hotel room. The men walked on either side of me, Marc with his hand down my top and Neil with his hand up my skirt. By the time we staggered through the door I was gagging for a good seeing to.

“Take her mate, I want to watch while you screw her,” Neil said, taking a seat on the bed. I couldn’t quite believe my ears but I wasn’t about to miss out on such an opportunity.

Marc grabbed me and pulled me to him, his stiff prick again rubbing against my pelvic bone. He began kissing me passionately and as he unzipped my tight top and skirt I heard Neil unzipping his trousers. My clothes fell to the floor, leaving me standing in just a black g-string and Neil grunted in excitement. He’d taken out his throbbing cock and began to wank it slowly while Marc caressed my tanned curves.

But his gentle treatment didn’t last long. He took hold of my fleshy boobs and kneaded them firmly, before taking my nipples between his teeth and chewing them. I yelped, at first because it hurt, but then in excitement because it felt so fucking good. Then he whipped down my g-string and pushed me onto the floor. I was positioned on all fours at Neil’s feet when Marc thrust his pulsating dick into my sticky snatch. I moaned in delight and looked up to see Neil watching excitedly. It felt so dirty to be fucked by another man in front of my boyfriend and I loved every minute of it.

Marc’s cock was huge and it sank all the way inside my tight warm hole until his balls slapped against my bum cheeks. He allowed himself a few seconds to savour the sensation of having his prick swallowed by such a small hot cunt, before starting to build a steady momentum. He drew his cock almost completely out of my wet fanny before plunging it back, deep inside. I could feel his glands stimulating my g-spot and I ground down against his shaft. Marc groaned and grabbed my heavy swinging tits to steady himself as he pounded away at my hole.

By this point Neil looked like he was ready to fire his cream. His wrist was shaking furiously and his face contorted with pleasure. But instead of releasing his spunk, he decided he wanted to join in. He knelt down next to me and forced my head onto his veiny muscle. Now skewered at either end by two enormous dicks, I was in my element. I must have looked like a wanton porn star – sucking on one cock and taking it doggy-style from another and I intended to finish like a professional.

Although I could hardly breathe because of the powerful thrusts I was taking from behind, I concentrated on sucking Neil’s cock properly. I gave him long, wet strokes to make him feel like he was screwing the tightest fanny, and I managed to take it much further down my throat than ever before. Neil seemed to appreciate that and grabbing handfuls of my hair, forced my mouth further and further down his twitching shaft.

The thought of being used as a sex toy by two men was just too mind-blowing for me to cope with and as I battled to take both cocks I felt an orgasm slowly building. I grabbed Neil's buttocks and held him steady between my lips as I started rocking around on Marc's prick. My movements stimulated my aching clitoris and in seconds I was coming hard. I would have screamed in sluttish delight but Neil began ramming his cock in my mouth again in a new frenzy and as I felt my pussy juices leak down my thighs, Neil shot his load over my face. His wrist jerked as he finished himself off all over my cheeks and mouth and he didn't stop until he'd milked every last drop from his cock.

Marc watched as I gulped away, trying desperately to swallow Neil's come and this spurred him on. He gave my fanny a few more firm thrusts then pulled out and he too wanked his load across my face. I hadn't even had a chance to wipe Neil's spunk from my cheeks when Marc fired his wad at my mouth. This time I was better prepared and managed to swallow a mouthful of his goo. He moaned loudly as the last stream of cream covered my lips and I finished him off with a tongue bath.

We met up with Marc a couple of times after that night, as I said the holiday certainly spiced up our love life.

Claire, Cambridge

Nothing's going to change my world

The demand for a bit of muff recently has been recognised as a growing voice, as letters come in requesting girls with gardens to feature in Club. Not wishing to disappoint enthusiastic readers we called a reliable source, who happens to be revel in having a neat bush, she also has a plump pair of pillows, curves that will create chaos, and smile that will make you ache from head to foot. Yes, chaps it's Keisha Grey, and this wanton woman wants to show you everything she's got, so dive into Keisha's garden this summer!

CLUB INTERNATIONAL

“There’s nothing quite like cracking open a cool beer on a hot day.” Miley Ann tells us. “Plus you can use it as a cooling aid!”

We, of course, are now having visions akin to a female version of the Coca-Cola advert, involving a stripped-down Miley and a can of Kronenbourg being lusciously rubbed against her naked flesh. But back to reality, and American girl Miley Ann is looking like our kind of lady.

I dive headfirst into a pile of questions I'd been storing up for Jasmine Jazz, the Ukrainian seductress, who in her little yellow bikini is smiling animatedly at us.

So, we've heard on the grapevine that you're more than a little acquainted with bondage?

"True, I've worked with a few photographers that have involved bondage in the shoots, I find the whole thing rather kinky and don't mind experimenting."

Some of the shoots you've done recently are quite artsy, is that something you're interested in?

"Yes, anyone who says their not interested in art on some level is a liar, because art is in everything we do. It also adds a spin on the concept of art and pornography, when does it cease being one and become the other?"

After this answer, the Ed had to take over, as I was dumbfounded. Beauty, as well as brains, is a winning combination.

After entering Vicky's boudoir, I'm struck by how delicate everything appears. Vicky just smiles as I comment on the fact. "But what I'm about to show you, will make you want to be anything but delicate, it's a juxtaposition."

All I can say is it undoubtedly works judging by the effect it's having.

Eva

CLUB INTERNATIONAL

Once upon a time, young Eva Tam here embarked on a little journey that would change her life, and since then she confesses she's never looked back.

"I really enjoyed my first shoot, although I think the photographer wasn't very good, so he never did sell the pictures. By the time I left his studio, I knew that I had found what I wanted to do with my life and contacted an agent. The next thing I know I've got British photographers turning up in Prague telling me I'm going to be rich so I did just about any work they gave me. Some of it was pretty rude for a girl who'd just started, but I didn't mind. It was all part of the experience."
